Animal House Project is a 501 (C) 3 Charitable All Volunteer Organization founded in East Fallowfield Township, Chester County.

Each year, our organization helps retired military and seniors; returning military families; victims of domestic violence; single parents and individuals with life-threatening illnesses to feed and care for their companion pets. We achieve our goals with volunteers, corporate and individual partners, and donors. To support our mission, we host events such as 4th Annual Charity Golf Tournament.

At times we are the last hope for these families to keep their companion pets at home and out of shelters.

What We Offer:

Donated Pet Food & Care Items: Dry and wet dog and cat food, horse, bird, fish, reptile, and small animal food. When available, we also offer treats; toys; litter; bedding; flea and tick treatments and grooming supplies. Animal House Project hosts a monthly pet food distribution day for our clients the first Saturday of each month from 11 am to 1 pm

Veterinary Assistance Programs: Spay and neuter and when available, low-cost vaccination of pantry clients' pets.
